About courses:

Parent and Child Level 1 is designed for parents with children 6 months-2 years of age. An adult will be required in the water for each child.

Parent and Child Level 2 is designed for parents with children 3-4 years of age. An adult will be required in the water for each child.

Preschool levels are designed for children 4-5 years of age.

Learn to swim Levels 1-4 are designed for children ages 6 and up.

Adult Swim is designed for adults 16-100 years of age.

Preschool Aquatics is made for preschool aged kids specifically to learn water safety, survival skills, and foundational swimming concepts in a safe and fun environment. For more information on Preschool Aquatics or Learn to swim levels check out the American Red Cross Swim app.

The purpose of Adult Swim-Learning the Basics is to help participants gain basic aquatic skills and swimming strokes and teach skills and concepts needed to stay safe in and around water and to help themselves or others in an aquatic emergency.
