Office of Head Start (OHS)

- PI: [ACF-PI-HS-21-04](#) Summary: OHS's expectations for Head Start programs to begin working toward full enrollment and providing in-person comprehensive services for all enrolled children, regardless of program option. The PI also addresses whether virtual or remote services are an allowable, long-term, locally designed option (LDO).
- IM: [ACF-IM-HS-21-05](#) Summary: OHS is committed to promoting and prioritizing needed supports for staff. Successfully supporting staff starts with staff wellness. As programs continue to move toward fully in-person services and address challenges brought on or worsened by the coronavirus disease 2019 (COVID-19) pandemic, prioritizing staff well-being is essential for all Head Start programs. This Information Memorandum (IM) describes the importance of, and requirements and recommendations for, building a culture of wellness across all Head Start programs.
