

## Kate Goodrich Families,

Another school year is upon us and I hope your summer was full of family memories. The Kate staff is excited to welcome Kindergarten, 1st, and 2nd grade students and families! The summer staff has worked hard to ensure the school is ready for our eager students.

Your child's learning is important to us. You are invited to our Supply-Drop Off Night from 4:00 to 7:00 p.m. on Thursday, August 31st. Students and families are welcome to come meet their teachers, visit the classroom, sign up for SeeSaw and drop off their supplies. If you don't know who your child's teacher is yet, register on Skyward to find out!

To accommodate families needing to get their children to multiple buildings, students will be supervised starting at 7:25am daily. The school day will start at 8:00am and dismiss at 3:20pm. The bus company is in the final stages of completing the bus routes. Once this is finalized you will be notified of your child(ren)'s bus routes.

Parent pick up and drop off has very specific directions as provided by the Merrill Police Department. In order to maintain safety, we will be firm on following the procedures that are outlined on the back of this letter. If you have to pick up a child at a different building before Kate, no worries, we will make sure to supervise your child until you arrive!

Thank you for letting us be part of your child's education. We look forward to seeing you at Supply Drop-Off. We are excited for another successful year of student learning!

Sincerely,  
Mrs. Heather Soberg

# Student Drop Off and Pick Up

*In efforts to create a safe environment for morning drop off and afternoon pick up, please follow the directions on the maps below.*

- ★ Doors open at 7:25am & breakfast will begin being served at that time.
- ★ If your child(ren) will be eating breakfast, please plan to drop them off between 7:25-7:40am.
- ★ Please pull up to the curb as far forward as possible. Do not stop by the front door if there is room to pull forward, as this limits the number of students that can be dropped off at the same time.
- ★ The learning bell rings & classes begin at 8:00am (you are considered tardy if arriving after this time).
- ★ The school day ends at 3:20pm. All students will be supervised until they depart.
